# NATIONAL MUSEUM OF FUNERAL HISTORY®

## EXPLORE THE MUSEUM

Since 1992, the National Museum of Funeral History has been honoring the compassion and dedication of the funeral service industry. Today, it continues to enlighten visitors on one of man's oldest cultural rituals and celebrate the heritage of the industry. Through the generosity of its sponsors and supporters, the Museum is able to continue its mission to preserve the past, explore the present and plan for the future.

## NEW EXHIBIT

**A Tribute to Roy Rogers (Feb. 1 – Dec. 31, 2018)** - Honor the memory of Roy Rogers, "America's Favorite Cowboy," renowned singing star of radio, television and film. The highlight of this new special exhibit is the 1963 Pontiac Bonneville convertible, the ultimate statement of cowboy chic, once owned by Roy Rogers that sold at auction on Dec. 10, 2015 for \$308,000 at RM Sotheby's New York. This "you have to see it to believe it" automobile is lined with hand-tooled leather and the top of the dash is encrusted with 150 silver dollars.

## UPCOMING EXHIBIT

**History of Cremation** - Created in partnership with Cremation Association of North America (CANA), this exhibit will feature artifacts and interactive components to show-case cremation through the ages and how we memorialize our dearly departed.
