

NATIONAL MUSEUM OF
FUNERAL HISTORY™

We are pleased to announce the National Museum of Funeral History's 29th Annual Charity Golf Classic scheduled for Monday, December 4, 2023, at 9:30 a.m. at Kingwood Country Club in Houston, Texas. We invite you to attend this five-man scramble tournament, which is an excellent opportunity to network with business executives and funeral industry professionals from across the country, as well as support the museum. In 2022, more than 80 sponsors and 370 players supported this charity event.

We also invite you to join us at the Sponsor Appreciation Night on December 3 from 5-7 p.m. at the National Museum of Funeral History complex where we will honor and celebrate the life, compassion and dedication of our founder, Mr. R.L. Waltrip. At the event, light hors d'oeuvres and complimentary cocktails will be served among the museum exhibits. Guests will have the opportunity to check-in early for the tournament, bid on the silent auction items, and purchase mulligan tickets.

Mr. Waltrip's dream became a reality in 1992, where his vision for the museum was to house educational exhibits of funerary items that tell the historical evolution of the funeral profession. Today, the museum houses the nation's largest collection of funeral artifacts and continues to enlighten visitors about the rich history of funeral service.

Help us celebrate the life, legacy and vision of the late Mr. Robert L. Waltrip. This year we are excited to commemorate all that Mr. Waltrip did for our industry over his lifetime. Please join us at the museum for an amazing evening of sharing memories and stories amongst the exhibits. Walk through our newest addition to the museum, *The Most Famous Burial of all Time* featuring a certified copy of the Shroud of Turin, opened April 2023.

Your continued support ensures the growth and preservation of the museum and development of educational programs along with both permanent and temporary exhibits. Enclosed you will find information outlining the sponsor opportunities and the timeline of events. Confirm your sponsorship today and **register for the tournament online at www.nmfh.org by November 10**. If you are unable to register online, contact the museum at 281-876-3063.

We appreciate your support and hope you can join us at the Charity Golf Classic and Sponsor Appreciation Night.

Sincerely,

Robert M. Boetticher, Sr.
